

Ondo State 2020 Revised Citizens' Budget

Budget of Progress

September, 2020

BUDGET GLOSSARY

Budget is an estimation of revenues and expenditure of the government over a specified period, usually a year.

Citizens Budget is a simpler, less technical version of government's budget specifically designed to present key information that is understandable by the general public.

Recurrent Expenditure is the part of the total government expenditure meant for monthly payment of salaries of government workers, payment of interest on debts and daily running of Ministries, Departments and Agencies of Government.

Capital Expenditure is the part of government expenditures meant for developmental projects like schools, hospitals, roads, etc in the State.

Roll-Over fund is the unspent amount brought forward from the last financial year, to be added to the current year revenue.

Salaries and Wages are the part of recurrent expenditure of government used for the payment of salaries of government workers and political office holders.

Overhead Costs are the part of recurrent expenditures of government used for daily or periodic administrative expenses.

Debt Stock is the total of domestic and external debts of the government over a period of time.

Debt servicing is the amount of money allocated in the budget for the repayment of principal of domestic and external debts.

Revenue is the total amount generated by the government over a specified period.

Social Contribution and Social Benefits is part of the estimate statutorily used to pay

Pensions Gratuity, benefits to past Governors/Deputy Governors and Government's contribution to Health Insurance Scheme.

Actual Revenue is the actual amount of revenue generated within the specified time frame.

Actual Expenditure is the part of the expenditure budget that a ministry or agency actually accessed for its recurrent expenses or capital projects. This is the amount authorized by government and accessed the agencies after due procurement process has been fulfilled.

Statutory Allocation is the allocation to the State from the Federation Accounts. It is determined by Federal Account Allocation Committee (FAAC).

Utilized Funds is the total amount paid out by the Ministry, Department or Agency upon the provision of a service by a Contractor or Agency.

COVID-19 Related Expenditure is an expenditure used to address COVID-19 pandemic and or its challenges.

CITIZENS' OBLIGATIONS

Efficient service delivery and good governance by government are largely dependent on roles played by the citizens. To this extent, for the state government to be able to provide the itemized projects in 2020, citizens are obliged to:

- pay their taxes;
- be obedient to the laws of the land;
- report any security breach in their vicinity to the appropriate authority;
- protect their environment;
- give feedback on implementation of projects;
- report unwholesome activities in their localities;
- participate in annual budget stakeholders meetings in their localities; among others
